

Digital Infrastructure & Energy Transition Financing

Experience since 1945

Since 1945 we are a trusted financial partner for entrepreneurs and Infrastructure investors.

We are one of the first movers in Digital Infrastructure, financing these type of projects since 2013.

Ticket Size

We offer financing solutions for digital infrastructure and energy transition projects from €15m up to €50m per transaction, with a sweet spot take & hold ticket of €25m.

Geography

We offer flexible, tailor-made and transparent financing for Infrastructure projects across Europe.

An entrepreneurial bank for entrepreneurs

We offer flexibility and tailor-made financing solutions in a diligent and fast way, ensuring you can close the deal on time.

Tailormade Financing

- ✓ Digitale Infrastructure Financing
- ✓ Energy Transition Financing
- ✓ Acquisition and Investment Financing
- ✓ Development and Expansion Financing

Typically, we provide our financing as senior debt as part of a lending club of relationship banks, banking consortium or a consortium of infrastructure funds and act as a participant on larger transactions.
