

European Residential Real Estate Financing

Development & investment loans for residential real estate projects in Europe

Experience since 1945

NIBC is a Dutch bank, owned by Blackstone, with a longstanding track record in tailor made development and construction financing of commercial real estate in the Netherlands and a longstanding track record in Digital Infrastructure financing within Europe.

Tailored Financing €/€15m-€/€50m

We specialize in providing liquidity to lenders arranging and underwriting financing solutions for residential real estate assets or projects across Europe.

As a senior lender, we participate in senior, senior-mezzanine and whole loan facilities with tickets ranging from €/€15 million to €/€50 million.

Geography

We provide financing solutions through club deals for living schemes and new living developments in key cities across:

- Benelux
- DACH
- Ireland
- Nordics
- Southern Europe
- United Kingdom

Partnership & Collaboration

Our team offers upfront clarity and is committed to be a transparent financing partner throughout the entire financing process.

Driven by our expertise and growth mindset, we are dedicated to providing our clients execution certainty.
